Report on Induction Program for BG 1st Semester Students:

On 03-10-2024, the Admission and Career Counseling Committees of the college, in collaboration with the Internal Quality Assurance Cell (IQAC), organized an Induction Program for the newly admitted BG 1st semester students. The program aimed to familiarize the fresh batch with the college's academic environment, faculty members, and the various career avenues available to them during and after their academic journey.

****Program Overview:**

***Address by the Principal:**

The Principal of the college, Prof. Mushtaq Ahmad Sohil, formally welcomed the students, emphasizing the importance of induction programs in shaping the academic and professional outlook of the students. He highlighted how such programs help bridge the gap between school and higher education, enabling students to seamlessly transition into the college environment.

***Address by Heads of Departments:**

Following the Principal's address, all Heads of Departments (HODs) took turns addressing the gathering. The session was initiated by Prof. Nazir sahb, HOD of Chemistry and the senior-most faculty member of the college. He warmly introduced the Department of Chemistry and highlighted the immense career opportunities available in the field of chemistry, ranging from research and academia to industry roles.

***Prof. Mohd. Yousuf**, HOD of Political Science, who spoke about the significance of understanding political systems and governance in today's world and discussed potential careers in civil services, politics, and international relations.

***Prof. Ummar Muhammad**, HOD Computer science, focused on the relevance of his subject and the career prospects it offers, emphasizing analytical thinking and academic rigor.

***Prof. Showkat Hussain**, HOD Botany, introduced his department and elaborated on the various professional fields students can pursue with a degree from his discipline.

***Prof. Rouoof Habib**, HOD Environmental Science, besides introducing his department, underscored the importance of inter-disciplinary knowledge and how students can benefit from expanding their academic horizons.

***Prof. Mohd. Ashraf**, HOD Urdu and Prof. Aabid Husain, HOD Kashmiri, also took turns introducing their respective departments and offering insights into the diverse career options their disciplines offer, motivating the students to make informed decisions about their academic paths.

****Student Participation**

Several students also took to the stage to express their gratitude towards the college administration and faculty for organizing the induction program. They acknowledged the program as a valuable introduction to college life and expressed their enthusiasm for the journey ahead.

Moderator:

The event was moderated by Prof. Bashrata Hussain Bhat, Convener Admissions/ career Counseling committee.

Vote of Thanks:

The program concluded with a formal vote of thanks delivered by Prof. Rouf, who expressed gratitude to the Principal, the organizing committee, the faculty, and the students for their active participation. His words brought the event to a close on a positive and encouraging note, reinforcing the collaborative spirit of the college community.

Conclusion:

The Induction Program was a resounding success, fostering a welcoming environment for the newly admitted students and offering them valuable insights into the academic, co-curricular, and career opportunities available to them at the college. The collective effort of the Admission, Career Counseling Committees, and IQAC was instrumental in making this event both informative and engaging for the students.
