- **Food Technology Department:** Participants explored the latest advancements and research in food technology.
- **High-Performance Computing [HPC] Lab:** Students and faculty members were introduced to advanced computing technologies and their applications.
- **Robotics Lab:** A fascinating demonstration of innovative robotics projects and research.

Additional Activities: The participants also had the opportunity to visit various other departments and centres within IUST, gaining a comprehensive overview of the university's academic and research infrastructure.

Cultural and Social Engagements:

- **Book Fest:** A diverse range of books were showcased, enhancing the literary interests of the participants.
- **Cultural Fest:** An engaging platform for students to experience the cultural diversity and communal harmony in the valley of Kashmir showcased in the drama organised by the university.
- **Food Fest:** A delightful exploration of culinary treats from various cultures.

Exhibitions: The event featured various exhibitions that showcased new technologies, models, art, and experiments. These exhibitions provided students with an interactive and immersive learning experience.

Statements from University Officials:

Prof. Shakil Ahmad Romshoo, Vice Chancellor of IUST: He highlighted the importance of such initiatives, noting that they align with global practices followed by reputed institutions. According to him, the Open Day presented a unique opportunity for students to experience diversity, exchange ideas, and gain insights into a wide range of academic choices, helping them make informed decisions about their academic paths and future careers.

Prof. A. H. Moon, Dean of Academic Affairs at IUST: With over 2,000 students from more than 100 institutions confirmed for participation, he mentioned that a range of engaging activities had been curated to enrich the experience for the visiting students.
