ACTION PLAN-2022

Prepared by WOMEN DEVELOPMENT CELL(WDC) for Women Empowerment

Government Degree College, Uttersou stands for Gender equality. The age old discrimination against women has confined women to internal space only. It is the responsibility of any institution to provide safe environment for its female students as well as faculty and create awareness among them for their rights.

In this regard, Women Development Cell(WDC) of GDC UTTERSOU frames the **Action Plan** annually. The basic strategy is to provide the special facilities to female staff and students of the college and to have at least one activity in college, each month, for Women empowerment, gender sensitization & overall Development of Women Folk.
