Comprehensive Report of Student, Teacher, and Alumni Feedback for the Academic Year 2022-23

### Student Feedback Summary (2022-23)

- 1. Teacher Attendance and Punctuality:** According to student feedback, nearly all teachers regularly attended classes and were punctual throughout the academic session.
- 2. Syllabus Completion:** The majority of students indicated that teachers successfully completed the assigned syllabus within the stipulated time—frame.
- 3. Course Layout and Conduct:** Students reported that teachers consistently informed them about course structures and conducted classes as per schedule.
- 4. Class Preparation:** Feedback from students reveals that teachers were well-prepared for their classes, enhancing the overall learning experience.
- 5. Communication Skills:** Teachers were praised for their effective communication skills, which facilitated a better understanding of course content among students.
- 6. Learning Environment:** Teachers created a positive learning environment by encouraging students to ask questions, and by responding patiently to clear doubts.
- 7. Interactive Teaching:** Teachers were noted for making the classroom experience more engaging by involving students in discussions, promoting interaction, and fostering interest in the subject matter.
- 8. Classroom Discipline:** Teachers maintained classroom discipline by adhering to rules and treating all students equally, without discrimination based on gender, caste, or religion.
- 9. Student Support:** Teachers were available to assist students not only with academic queries but also with career counseling and other concerns.
- 10. Extracurricular Encouragement:** Teachers motivated students to participate in both academic and extracurricular activities for holistic personality development.
- 11. Innovative Teaching Methods:** Besides traditional teaching methods, teachers effectively used digital tools and innovative software to enhance the learning experience.
- 12. Overall Teacher Rating:** A majority of students gave outstanding ratings to their teachers, reflecting overall satisfaction with their teaching approach.

Comprehensive Report of Student, Teacher, and Alumni Feedback for the Academic Year 2022-23

### Teacher Feedback Summary (2022-23)

- Relevance of Courses:** Teachers reported that the courses taught were well-suited to improving students' skills and employability, aligning with market demands.
- Job Market Alignment:** The curriculum was viewed as job-oriented, with practical applications that prepared students for careers in both the government and corporate sectors.
- Teaching-Learning Process:** Teachers recognized the college's efforts to improve the teaching-learning process, providing adequate infrastructure, including ICT-enabled classrooms and laboratories.
- Library Resources:** Teachers confirmed that the library offered a sufficient number of books to meet student requirements.
- Practical Exposure:** The institution organized field visits, industrial trips, and other activities that offered practical exposure, enhancing students' understanding of their subjects.
- Student Support:** Teachers provided students with study materials, including e-content, to supplement classroom instruction.
- Career Counseling and Placement Drives:** Teachers noted that the college organized occasional career counseling programs and placement drives to support student career development.
- Improvement in Academic Transaction:** Overall, the teachers agreed that the college had significantly improved academic processes and support systems.

Comprehensive Report of Student, Teacher, and Alumni Feedback for the Academic Year 2022-23

### Alumni Feedback Summary (2022-23)

- 1. Market Relevance of Courses:** Alumni stated that the courses were aligned with market needs, helping graduates secure employment.
- 2. Employability:** The skill-oriented curriculum was seen as enhancing employability, with alumni appreciating its practical application.
- 3. Improvement in Teaching-Learning:** Alumni recognized improvements in the teaching-learning process, though some called for minor updates to the syllabi to keep pace with evolving job market requirements.
- 4. Library and Infrastructure:** Alumni feedback indicated satisfaction with the library's resources and the college's infrastructure, including classrooms and laboratories.
- 5. Field and Industrial Visits:** Alumni appreciated the college's emphasis on practical learning through field trips and industrial visits.
- 6. Student Support:** The college's provision of e-content and other study materials was valued, although it was noted that there were limited placement drives.
- 7. Alumni Involvement:** Alumni expressed willingness to participate in future alumni activities and reported pride in being associated with the institution.
- 8. Grievance Redressal:** Alumni highlighted the effectiveness of the college's grievance redressal mechanisms for both students and alumni, ensuring a supportive environment.

In summary, the feedback across students, teachers, and alumni for the year 2022-23 indicates strong satisfaction with the college's academic programs, teaching methods, infrastructure, and student support systems, while also suggesting areas for enhancement, particularly in placement opportunities and minor syllabus updates.
