**Govt. Degree College Uttersoo organized one week Workshop on Soft skills from 20<sup>th</sup> November, 2023 to 25<sup>th</sup> November, 2023**

The Department of History and the Department of Botany, in collaboration with the Nandi Foundation, Telangana, Hyderabad, successfully completed a one-week workshop on soft skills from 20<sup>th</sup> November, 2023 to 25<sup>th</sup> November, 2023. The initiative aimed to equip students with essential skills to thrive in the ever-evolving professional environment. The workshop commenced with a warm welcome address by the esteemed Principal, Professor Dr. Syed Javed Hussain. In his speech, the Principal appreciated the collaborative effort of the departments and the Nandi Foundation in organizing the program. He emphasized the importance of such initiatives in enhancing students' skills and congratulated the stakeholders for their vision. He expressed confidence that the workshop would empower students to become self-reliant and meet the challenges of the modern world effectively. Following the welcome address, the sessions were facilitated by the designated trainer from the Nandi Foundation, Mr. Jahangir Ahmed. Each day, he conducted a two-hour class focused on hands-on training to develop various soft skills among the participants. A dedicated WhatsApp group was also created to ensure students could access lecture materials, notes, and resources shared during the workshop. The training sessions were highly interactive, emphasizing practical application through regular discussions, activities, and recapitulations of previous lessons. This approach not only helped students consolidate their learning but also encouraged active participation and engagement. The workshop concluded with the distribution of participation certificates to all attendees. These certificates hold value, allowing the students to take part in future job fairs organized by the Nandi Foundation. The successful completion of this workshop marks a significant step toward equipping students with the skills needed to adapt and excel in today's competitive world. The collaborative effort of the departments and the Nandi Foundation received widespread appreciation from participants and faculty alike, making this initiative a notable achievement for the institute.
