Dated: 13-03-2025

Notice:

It has come to our attention that, despite the resumption of regular classes, including practical sessions, over a week ago, some students of BG 2nd semester have failed to attend classes consistently. The department is taking this matter seriously, and a list of students with attendance deficiencies will be submitted to the university. These students will be prohibited from appearing for the upcoming examinations.

This notice serves as a final reminder for such students to improve their attendance by attending classes regularly. No further reminders will be issued by the department, and students will be held fully responsible for their attendance.
