Govt. Degree College Uttersoo Organized a Picnic to Pahalgam in two Phases

Under the patronage of Worthy Principal, **Professor Mushtaq Ahmad Sohil**, Govt. Degree College Uttersoo organized College picnic to *Pahalgam*, one of the most scenic tourist destinations of Kashmir, in two phases on 22nd September, 2025 and 24th September, 2025 for Boys and Girls, respectively. The tour was aimed at providing the students with recreation and acquainting them with the natural wealth and biodiversity of the region.

On both days, the boys and girls, along with the teaching and non-teaching staff, began their journey from the college to Pahalgam at 8:00 a.m. The students were excited on the buses, singing Kashmiri songs,

and they reached the venue in Pahalgam at 10:30 a.m. First, we went to Lavender and Poshwan Parks, where the students and teachers gathered in a relaxed atmosphere and had breakfast around 10:45 a.m. After breakfast, the students set out to explore the beauty of Pahalgam. Surrounded by lush green meadows, towering pine trees, and the soothing sound of flowing rivers, they immersed themselves in the serene charm of nature. Teachers introduced students to the rich variety of flora and fauna found in the Pahalgam region. They highlighted the role of conservation efforts in protecting the plant and animal life from threats such as habitat loss and human interference. They also explained the ecological role of plants in maintaining soil fertility, preventing erosion, and sustaining the local ecosystem.

We had lunch at 2:00 p.m. Post-luncheon, students went exploring the surroundings, clicking pictures, and enjoying the natural beauty. After having light tea at 4:00 p.m. we prepared for departure. The departure from the venue commenced promptly at 4:30 p.m. under the careful supervision of the escort team. After the students boarded their buses, the teachers took attendance to ensure everyone was present. The worthy Principal, **Prof. Mushtaq Ahmad Sohil**, along with the Convener of the Advisory Committee, **Prof. N. A. Wani**, thanked all the teaching and non-teaching staff for their dedication and coordinated efforts in ensuring the safe return of the students to their homes.

The two-phase picnic was not merely a recreational outing but also a meaningful educational excursion. Students returned with refreshed minds and a deeper understanding of biodiversity and environmental conservation. The Principal and faculty expressed satisfaction that the trip successfully combined learning with leisure, leaving the students with both fond memories and valuable knowledge.
