Respected Sir/Madam,

Please refer to your communication dated. 25/03/2025 regarding the above cited subject. It is to state that Sericulture Department is always committed to expending efforts to ensure continued success of this important sector activates of livelihood.

I am pleased to inform you that the department will take pride in enhancing the practical knowledge of students in Silkworm rearing, proper management techniques and best practices for Silk production.

Since our rearing activity in the field is likely to commence from May 2025, as such, you may devise a detailed programe as proposed by you in the aforesaid communication. However, you may have to arrange transport facility on your own for students to our Farms/ Nurseries or to field as per charges chalked out programme. Department will support you in terms of technical knowhow and all the guidance required.

Yours faithfully,

District Sericulture Officer,  
Sericulture Dev. Department  
Anantnag.
