REPORT OF AWARENESS PROGRAM REGARDING NATIONAL YOUTH PARLIAMENT 2025

Today on the 8th of March 2025, the NSS unit of the college organized a program in the college campus to make the students aware of the National Youth Parliament 2025 and the process required for the registration of participants. The program started with an inaugural address by the Principal of Our College, Prof Mushtaq Ahmad Sohil.

Then NSS Program Officer, Mr. Rouoof Habib started his talk. The NSS Program Officer acknowledged the students' interest in the program and set the tone for an informative session ahead. The objective of the program was explained to the students, and they were encouraged to actively participate in the process. The NSS Officer started his session by providing an introduction to the National Youth Parliament. He discussed the significance of the NYP, which serves as a platform for young people between the ages of 18-25 to express their views on national policies, socio-economic issues, and governance. Through NYP, youth can engage in debates and discussions similar to those held in the Indian Parliament. This initiative encourages students to engage in democratic processes and fosters a sense of responsibility towards their country. He also emphasized the value of youth participation in national development, as the ideas, opinions, and energy of youth play a vital role in shaping a country's future. He highlighted how the NYP empowers youth to contribute to policy discussions, thus making it an excellent opportunity for personal growth and leadership development.

He then moved on to explain the My Bharat Portal, which is the official digital platform for registering for NYP. He highlighted the importance of this portal as a simple, efficient, and transparent platform that streamlines the process of registering participants for various government initiatives, including the National Youth Parliament.

He discussed the role of the My Bharat Portal in ensuring that the registration process for NYP is user-friendly, accessible, and secure for all participants. He explained that students could easily navigate the portal to submit their applications, track their registration status, and access related resources.

Step-by-Step Guide to Registration Process:

The NSS Officer dedicated a significant portion of the session to a live demonstration on how to register for NYP 2025 via the My Bharat Portal. The key steps included:

- ↔ **Accessing the Portal:** He instructed students on how to access the official website of the My Bharat Portal by scanning the Bar Code available on posters and banner inside the college campus.
- ↔ **Creating a User Profile:** He explained how students can create an account on the portal by providing necessary details such as their name, date of birth, and educational background.
- ↔ **Filling the Registration Form:** Students were made aware about how to fill in the registration form with the required personal information, including details about their academic qualifications, contact information. He informed the audience that they have to upload a video of one minute for registration, in which they will highlight their views for VIKSIT BHARAT by 2047.
