Sub.: Rectification in the results of BG 1st semester (Batch – 2020 and backlog Batch 2016-19)

Esteemed Sir,

With humble submission and due deference, it is stated that there are some errors in the recently declared results of BG 1st Semester (Batch – 2020 and backlog Batch 2016-19) by the University of Kashmir, Srinagar. The fine details of the same are appended with annexure I and the major details are stated as under:

1. For serial number 1, the roll number has been wrongly entered as 209016987 while entering the data as a result of which the student has been marked ABSENT. His actual examination roll number is 209016897.
2. For serial number 2, the marks in the theory paper (Chemistry – CH116) couldn't be uploaded on time due to technical error whereas the practical marks of the said candidate have been uploaded successfully.
3. For serial number 3, the theory marks for Botany (BO116) have been wrongly uploaded as 12 because of technical error (2626) instead of the actual 43 marks.
4. For serial number 4 to 29, the result of the candidates has been marked as ABSENT because their result has been wrongly uploaded to ED116 instead of ED120.
5. For serial number 30 to 32, the result of the candidates has been marked as NA as the same couldn't be uploaded on time because of some technical issues.

In the context stated above, it is humbly requested to your kind self to make necessary corrections in the results of the said candidates to save the precious time of the candidates.

Also kindly note that none of the above students has been mentioned in the missing theory/ practical report which was earlier sent by your kind self.

Sincerely yours,

**Subject:- Request for Re-examination of BG-6th semester students in the subject
SR Zoology(616)**

Sir,

With due regards it is to submit that the coordinator Examination of the college received 02 sealed packets for the examination scheduled to be held on 05-02-2021. The Question papers pertaining to Zoology SR(616) were not in the packets received by the institution. After opening the packets it was found that the packets contain SR(616) Sericulture fisheries and SR(616) Sericulture Zoology. The question papers in the parcel were for 2 credit and 4 credit consisting of 30 marks and 60 marks respectively, which was also confusing. Both types of Question Papers were provided to the students but still they were not satisfied with these papers as they claimed that the question paper was not concerning to their syllabus

Keeping the students interests and career in consideration it is requested that re-examination of the above said subject may be arranged at an earliest.

Yours Sincerely
