Overall summary of the feedback received form students across different semesters

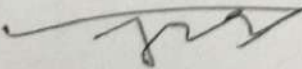

A total number of 25 feedback forms were distributed among the students among which 20 were submitted, the summary of which is as follows:

The feedback form comprised of six main variables:

- a. Punctuality
- b. Mastery on the Content
- c. Syllabus Completion
- d. Smart Boards
- e. Relevant Material Available in the Library
- f. Improvements in Teaching Methodology of the concerned Teacher

Summary

Pertaining to the punctuality of the teacher, 98% of the students have rated the teacher punctual thus rating him 5/5. So far as Teacher's mastery is concerned lot of students have rated him 5/5 and rest of the students has rated him 4/5. Regarding the syllabus completion, the students from semester second have marked the syllabus completion varying from 70-85%, where as the semester 5th reported to have completed 60% of the syllabus and Generic elective (5th) have reported for a completion of 50% of the syllabus. All the students gave a 'Yes' to the availability of the material available in the library for their respective courses. As far as the teaching methodology of the teacher is concerned, the responses are showing the students are satisfied with the teaching methodology of the teacher with some suggestions like teaching in a slow speed and optimum use of power point presentation.

Summary of the feedback received from students of 2nd semester (Batch 2021)

A total number of 15 feedback forms were distributed among the students of which 10 were submitted, the summary of which is as follows:

The feedback form comprised of following six variables:

- a. Punctuality
- b. Syllabus Completion
- c. Use of Smart Boards
- d. Preferred teaching method
- e. Relevant Material Available in the Library
- f. Suggestions for Improvements in Teaching Methodology

Summary

Students have rated 5/5 for almost all parameters except study material availability in the library. They are of the view that there is lack of good number of EvS books in the library.

The students are satisfied with the teaching methodology of the teacher with some suggestions like enhanced student- teacher interaction, organising more debates and seminars related to EVS, use of project method etc.

Feedback Summary

A total number of 20 feedback forms were distributed among the students among which all were submitted, the summary of which is as follows:

The feedback form comprised of six main variables:

- a. Punctuality
- b. Mastery on the Content
- c. Syllabus Completion
- d. Use of Smart Boards
- e. Relevant Material Available in the Library
- f. Improvements in Teaching Methodology of the concerned Teacher

Summary

Pertaining to the punctuality of the teacher, 100% of the students have rated the teacher punctual thus rating him 5/5. So far as Teacher's mastery is concerned all students have rated him 5/5. Regarding the syllabus completion, the students from semester second have marked the syllabus completion varying from 80-90%, where as the semester 5th reported to have completed 80% of the syllabus. All the students gave a 'Yes' to the availability of the material available in the library for their respective courses. As far as the teaching methodology of the teacher is concerned, the responses recorded are showing the students are satisfied with the teaching methodology of the teacher.

Feedback Summary

A total number of 25 feedback forms were distributed among the students among which all were submitted, the summary of which is as follows:

The feedback form comprised of six main variables:

- a. **Punctuality**
- b. **Mastery on the Content**
- c. **Syllabus Completion**
- d. **Use of Smart Boards**
- e. **Relevant Material Available in the Library**
- f. **Improvements in Teaching Methodology of the concerned Teacher**

Summary

Pertaining to the punctuality of the teacher, 100% of the students have rated the teacher punctual thus rating him 5/5. So far as Teacher's mastery is concerned all students have rated him 5/5. Regarding the syllabus completion, the students from semester second have marked the syllabus completion varying from 90-100%, where as the semester 5th reported to have completed 80% of the syllabus and Generic elective (5th) have reported for a completion of 90-100% of the syllabus. All the students gave a 'Yes' to the availability of the material available in the library for their respective courses. As far as the teaching methodology of the teacher is concerned, the responses recorded are showing the students are satisfied with the teaching methodology of the teacher.
