

Report of one week Swachh Bharat Summer Internship Programme under Swachh Bharat Abhiyan (SBA) at GDC Utersoo

A week long Internship Programme Swachh Bharat Abhiyan (SBA) was organized by the NSS Units of Govt. Degree College Utersoo from 9th July to 14th July. Schedule of the activities which was proposed by NSS Units and subsequently approved by the worthy Principal is annexed herewith for ready reference. In the programme which was wholly based on awareness motto, the students of the NSS groups and faculty members of the College participated under the mentorship of worthy Principal.

Before the execution of this whole programme the students were fully made acquainted with the objectives of the programme so that same message can be conveyed to the general public by them during the activities which were conducted outside the College campus.

09/07/2018:

On the first day of the programme, the students of the NSS Units were engaged with cleaning of College campus. From the campus, polythenes, junk food wrappers and other wastes were collected using brooms. Unwanted grass from the parks was weeded out. Students were also made acquainted with the need and importance of the cleanliness and hygiene of the environment.

10/07/2018:

The second activity conducted was related to the cleaning of College building internally. Students were made aware about the cleaning of building interior (classrooms, corridors, etc.) so as to have a hygienic and harmless environment for learning. The said activity was undertaken under the guidance of NSS Programme Officers.

11/07/2018:

The third day activity in relation to SBA was to mobilize the community regarding the importance of the pristine water resources. NSS volunteers along with the faculty members of the College namely; Firdose Ahmad Mir, Javaid Ahmad Kumar, Fida Hussain and Arif Sultan went to several households and interacted with them regarding various environmental management issues especially the management of local water bodies in general and Shakarnag Spring in particular. Whole activity was based on the theme of "think globally and act locally".

12/07/2018:

On 12/07/2018 the NSS student volunteers along with NSS Programme Officers conducted the cleaning of the Shakernag Spring located at Khanpora, Utersoo. The water body is a source of potable water for almost hundred households thereby having a significant role in the life of this village. All the filth and waste from the water body was removed involving the locals of the area. People living around the water body were also made aware about the consequences of the degradation and pollution of the water bodies in general and Shakernag Spring in particular.

14/07/2018:

On 14/07/2018, NSS volunteers along the faculty member conducted the awareness rally from Uttersoo market to Kreeri. Shopkeepers and other people were made aware about the problems of solid waste generation and management thereof. The solid wastes like: polythenes junk food wrappers were also collected from the market. Moreover students also interacted with the shopkeepers and insisted them to use separate dust bins for collection of biodegradable and non-biodegradable solid waste. They were also told to dispose-off the solid waste at a proper place.

Finally week long programme concluded with the thought provoking remarks by worthy Principal, DR. A. M. WANI. Students were instructed by worthy Principal to continue the same mission in future so as to make the college campus and outside areas an ideal place to live in.

Worthy Principal giving concluding remarks of one week Swacch Bharat Abhiyan (SBA) Summer Internship.

A Report on Observance of Swachhta Pakhwada

(1st-15th August, 2018)

At Govt. Degree College Uttersoo

In compliance to the directions from Regional Directorate National Service Scheme (NSS), Ministry of Youth Affairs and Sports, Govt. of India, Swachhta Pakhwada Programme under the flagship scheme of the central Government, Swachh Bharat Abhiyan (SBA) or Swachh Bharat Mission (SBM) was organized by NSS units of Govt. Degree College Uttersoo, with effect from 01st August 2018 for a period of fifteen days to achieve the basic aims of the Swachh Bharat Abhiyan (SBA). The fifteen day programme was formally rolled out by the Worth Principal, GDC Uttersoo, Dr. A M. Wani. The main objective behind this whole programme was to create a sense of clean and hygienic environment and mass awareness among the people belonging to different strata of the society. In the different activities conducted during the whole programme, all faculty members, NSS volunteers and students participated with great enthusiasm and conviction.

The schedule of different activities that was followed for observance of the programme is as follows;

SCHEDULE OF ACTIVITIES

Serial no	Day/ Date	Activity
1	1 st August	Cleanliness Oath
2	2 nd - 5 th August	Cleanliness of interiors of college and campus of the College.
3	6 th -8 th August	Community sensitization regarding open defecation (OD) at villages; Krad, Buchan and Bonard.
4	9 th -10 th August	Cleanliness drive at villages; Krad, Buchan and Bonard.
5	11 th -13 th August	Cleaning of market, dispensary and bus stop at Uttersoo.
6	14 th August	Cleanliness rally from college campus to main market Uttersoo.
7	16 th August	Meeting of NSS volunteers with worthy Principal.

- 1.) The overall programme was rolled out by worthy Principal of the college Dr. A M Wani. He acquainted the NSS volunteers about the overall programme. Further, NSS volunteers and other students took oath (Swachhta Shapath) to maintain the cleanliness of their indoor and outdoor environments.

- 2.) The NSS volunteers along with other students of the College were involved in the cleaning of the interiors of College building; classrooms, laboratories, library, toilets, and outdoor campus of the College including playgrounds, lawns, roads, etc. to inculcate in them the civic sense and make them socially conscious and responsible citizens of the society. Apart from the NSS volunteers, other students and faculty members also took part in the cleanliness activities.

- 3.) The NSS volunteers visited the nearby villages; Krad, Buchan and Bonard and conducted door to door community sensitization to make people aware about the adverse impacts of Open Defecation (OD) on environment in general and human health in particular. The volunteers along with other students and faculty members interacted with the common

masses and thereafter thoroughly surveyed these areas to identify the households lacking toilet facilities and later tried to persuade them not to defecate in open areas.

4.) The NSS volunteers took out the intensive cleaning of the Krad, Buchan and Bonard villages. The people of these villages were persuaded to keep their surroundings clean and to stop the problematic practice of littering. They were also asked to use separate dustbins for different types of wastes generated within the households and outside. NSS volunteers played a remarkable role by insisting the people of these areas to dispose-off the wastes at proper places in order to avoid the problem of nuisance foul smelling thereby creating hygienic environmental conditions.

5.) NSS volunteers conducted cleanliness drives in the main market and bus stop of Uttersoo. An interaction with the shopkeepers and driver community also served as a part of the activity. The shopkeepers were made aware about the problems of the solid waste management. The solid waste products were also collected from the market and further the shopkeepers were insisted to use dustbins for the wastes.

6.) The NSS units of the College organised a rally from College campus to main Utersoo market to convey the message of the Swachhta programme to the people. Different slogans written on placards depicting different aspects of cleanliness were used to convey the message.

7.) Finally the programme concluded with the meeting of NSS volunteers. The worthy Head of the Institute deliberated upon the overall programme. Respected Principal insisted upon the NSS volunteers and other students to take this mission of cleanliness to their respective areas so that the aims and objectives of the programme are well met.
